ABOUT US

At Elavin Kitchens & More, we believe every space deserves timeless beauty, comfort, and functionality.

From luxurious modular kitchens to elegant wardrobes and living interiors — we craft designs that reflect your style, elevate your lifestyle, and define modern living.

MISSION

At Elavin Kitchens & More, our mission is to design spaces that inspire and enhance everyday living.

We aim to blend creativity, innovation, and functionality to deliver interiors that reflect elegance, comfort, and quality craftsmanship.

Our commitment is to provide every client with thoughtfully designed kitchens, wardrobes, and living spaces that bring beauty, balance, and joy to modern homes.

Designing Spaces. Defining Style.

OUR TEAM

Mr. Raj Rizvi Art Director

With a keen eye for detail and a passion for innovation, our Art Director ensures that every project reflects the essence of design excellence.

From concept to execution, they lead the creative vision — balancing aesthetics, function, and client satisfaction in every design.

Interior Designer

At Elavin Kitchens & More, our interior design philosophy is simple — to create spaces that are beautiful, functional, and truly personal.

Our expert designers blend creativity with precision, transforming ordinary areas into elegant, timeless living spaces.

Project Manager

At Elavin Kitchens & More, our Project Manager plays a vital role in turning ideas into reality.

With strong coordination, planning, and quality control, we ensure every project is completed with perfection.”
